The Royal Academy  
of Engineering

## INGENIOUS PROJECT

Engineering Careers Fair for 12 -13 year olds.  
19<sup>th</sup> October – 10am -3pm

M Shed and My Future My Choice have recruited engineers to an educational programme funded by the Royal Academy of Engineers.

**This programme –**

- **Inspires** creative public engagement with engineering projects
- **Stimulates** engineers to share their stories, passion and expertise in innovative ways with wider audiences
- **Develops** engineers' communication and engagement skills
- **Creates** debate between engineers and people of all ages to raise awareness of the diversity, nature and impact of engineering.

**This 19<sup>th</sup> October event targets young people thinking about the subjects they may want to study to meet their future potential.**

**Key Stage 3 students will**

- Interact in practical ways with engineers from different industry sectors
- Discuss progression routes into engineering with engineers at different stages of their careers
- Link the museum's engineering artefacts and the engineering at the harbour-side to present day engineering jobs
- Reflect on the future of engineering and the opportunities and lifestyles it offers
- Test their communication skills to camera to feedback what they have learnt

# More information – who is involved?

## Bristol Museums and Archives- M Shed Museum

Wapping Road Bristol - BS1 4RN

A vibrant museum located on Bristol's Historic Dockside. Displays and archives provide an incredible insight into Bristol's engineering past. Making this history relevant by engaging schools and the public in practical ways with real engineers working with similar principles today.

## My Future My Choice

A company linking education to aspiration by providing links between schools and business through practical activities.

## Harvest Heritage, Arts and Media

professional communications training and high quality digital media assets for businesses, schools and colleges

## Businesses and engineers

Rolls-Royce

Airbus

SEA

Claverham

ARUP

Institution of Mechanical Engineers

Institution of Structural engineers
