

## Push and Pull – Aims and Overview

This resource is made up of –

Resource	Duration / Delivery	Curriculum Areas	Content
Short Animation	4 Minutes Whole Class	History Citizenship	Animation explaining mass migration post WW2
Notes for discussion of a short animation about the Windrush	30 Minutes Whole Class	History Citizenship	Discussion points
Images for discussions on borders	30 Minutes Groups	Citizenship	Images for Discussion
Activity on pre-historic human migration	30 Minutes Groups	History Geography	Cards to organise in 'Diamond Format'
Creative writing activity	60 Minutes Individual	English	Words to sort into Push or Pull Prompts for story writing

### Aims

To understand and empathise with the feelings that would accompany migration

To make creative writing using fear and hope

Understand how writers make use of the liminal state (being on the threshold of newness)

To understand and value the migrant pioneers of the Windrush Generation

To realise the importance of having a non racist standpoint

*This project offers the potential to invite elders from the Windrush Generation or their offspring into school to share their stories.*
