

Build a Ship –construction activity

We can supply kits suitable for small teams (4 -6) to build and decorate. We also organise sailings of the model boats. Kits are available for

- Caravel - The Matthew
- Bristol Channel Pilot Cutter - Took pilots out to merchant ships to bring trade into Bristol
- SS Great Britain - The ship that changed shipping
- Somerset Flattner -A simple boat made and used on the floods and rivers of the Somerset levels
- Ferriby Boat - A prehistoric boat but the same essential design as the Somerset Flattner
- MV Balmoral – Passenger Vessel moored in Bristol’s Harbour – open for school visits
- Concept Ship Design - Convert models into ‘concept ships’ for the future.
- HMT Empire Windrush – The iconic ship of the pioneering Windrush Generation
