

Build a boat on the Tall Ship Kaskelot

My Future My Choice Creative Workshops for the Summer Holidays

The Tall Ship Kaskelot, moored in Bristol's Floating Harbour is hosting My Future My Choice boat building workshops

Thursday 3rd August 2017 – 10:00am to 3.30pm

Lloyds Amphitheatre Mooring, Canons House Canons Way, Bristol, BS1 5LL

My Future My Choice workshops combine fun with heritage, craft and design into a fantastic experience for all ages.

1. Explore a tall ship
2. Build models of famous Bristol Sail Boats - Bristol Channel Pilot Cutter or Matthew Caravel (All materials and paints are provided)
3. Take your uniquely decorated model home with you.
4. Sail it safely at your chosen location – instructions on how to do this will be provided

The boats are a metre long and made from corrugated board. The construction methods follow the principles for building a real ship and the boats can be sailed when rigged, waterproofed and ballasted.

£35 per person or £50 for a team of two building one boat

Light refreshments are provided please bring your lunch
There are limited places for this unique workshop.

* Experienced DBS checked staff run the workshop and children will be supervised at all times
